Why Give?

The generosity of God's people fuels the mission of Jesus.

When you give to Barrington Christian Academy, you're investing in more than an education—you're helping students grow in their God-given potential. Your generosity provides access to a Christ-centered, K-12 learning environment where students are known, nurtured, and equipped to lead with passion, skill, integrity, and faith. Gifts to BCA strengthen programs, support teachers, and expand opportunities for families who desire a Christian education but may not otherwise have access to it. Every contribution makes a direct and lasting impact, shaping students today and preparing servant leaders for tomorrow. Because of you, BCA students are truly Made for More.

Vision, Scholarship, and Endowment Funds

Vision Fund

This fund strengthens classrooms, expands programs, and equips teachers—ensuring that students are prepared for the world beyond the classroom and beyond BCA

Scholarship Fund

This fund helps make Christian Education affordable for families seeking it and bridges the gap between the actual cost of educating a student at BCA.

Endowment Fund

This fund is where faith and generosity build a lasting legacy—an investment that strengthens BCA not just for today, but for generations. Gifts to the Endowment Fund create a stable, long-term financial foundation that helps sustain tuition assistance, enhance academic and spiritual programs, and protect the future of Christ-centered education in Southern New England. By contributing to the endowment, you are planting seeds that will continue to bear fruit in the lives of students you may never meet, ensuring that BCA's mission endures for decades to come.
